### **Boarding Vaccination Agreement**

College Park Road Veterinary Clinic & Boarding Kennel requires all customers to provide proof of current vaccinations for all boarding pets.

- ***Dogs must be up to date on DHLPP (DHP), Bordetella, Rabies as well as proof of a negative fecal test within the last 12 months prior to boarding.***
- ***Cats require a negative feline Leukemia test, negative fecal, Rabies and FVRCP vaccine prior to boarding.***

All validated vaccine records are to be in the possession of College Park Road Veterinary Clinic & Boarding Kennel prior to the pet being dropped off for boarding.

If additional vaccinations or tests are required during a pet's stay; your pet will receive a physical examination and vaccinations from a veterinarian, and you will be responsible for all charges at time of pick-up.
