

COLLEGE PARK RD.
BOARDING & GROOMING

Pre-boarding Home Evaluation

The purpose of this evaluation is to give us a good idea of your dog's behaviors prior to coming in, so we can interact with your pet in the most stress-free way possible for them.

For the first portion of the evaluation, we will have you rank their behaviors on a scale of 1-5; 1 being calm, with little to no reaction, and 5 being extremely over-reactive and hard to calm down.

Excitability

Just before being taken on a walk	1	2	3	4	5
When another dog approaches them	1	2	3	4	5

Aggression (such as barking, growling, baring teeth, snapping, etc.)

When approached by an unfamiliar person	1	2	3	4	5
When toys are taken away	1	2	3	4	5
When food is taken away or touched	1	2	3	4	5
When approached by an unfamiliar dog	1	2	3	4	5
When barked at by an unfamiliar dog	1	2	3	4	5
When a stranger enters the home	1	2	3	4	5
When having paws touched	1	2	3	4	5

Fear and anxiety

When approached by a new person outside of the home	1	2	3	4	5
When there is a sudden, loud noise	1	2	3	4	5
When a stranger tries to pet them	1	2	3	4	5

When in a new environment	1	2	3	4	5
When having nails clipped	1	2	3	4	5
When being given a bath	1	2	3	4	5
When being in a crate or kennel	1	2	3	4	5

The next set of questions will be yes or no. These will give us a good idea of the behaviors we should look out for and help us keep your pet safe.

Separation related behavior
