## TRAUMA CONSENT FORM

Your Pet \_\_\_\_\_ has presented In a serious clinical condition. He / She would benefit from several rapid emergency procedures. These procedures may include placement of an intravenous catheter, starting intravenous fluids, radiographs, minor blood work, pain medication, and drawing pretreatment blood samples.

**By signing this document, you consent to these emergency procedures.**

The cost for these emergency procedures with examination may be up to \$400.00, which payment is required at the time of signing this **consent** form.

We realize you are faced with rapid and unexpected decisions, and we want to follow your wishes. Please select one of the following options, if your pet's condition begins to rapidly worsen:

☒ \_\_\_\_\_ INITIATE CPR on your pet in the event they stop breathing or their heart stops.

☒ \_\_\_\_\_ DO NOT perform CPR on your pet.
